Absent Environments: Theorising Environmental Law and the ...

In terms of writing style, the text is threaded with ideas and, more unusually in a book about a legal theory, spiked with wit. The analysis is at a high level.

Absent Environments: Theorising Environmental Law and the ...

Absent Environments: Theorising Environmental Law and the and over one million other books are available for Absent Environments: Theorising Environmental Law and the ...

Offering a novel, transdisciplinary approach to environmental law, its principles, mechanics and context, as tested in its application to the urban environment, this book traces the conceptual and material absence of communication between the human and the natural and controversially includes such an absence within a system of law and a system.

Absent Environments: Theorising Environmental Law and the ...

I place Philippopoulos-Mihalopoulos Absent Environments: Theorising Environmental Law and the City in the same category, not just because it represents another successful work of sustained theoretical analysis, but because it also gives a voice to one of the main concerns about environmental law that I have stumbled over in the course of my writing and teaching, but have failed to pursue so.
