The era of treatment now represents the hopes of millions  
of people living with HIV/AIDS. But it also poses  
significant challenges. How treatment programs interact  
with the underlying context of the epidemic and human  
rights approaches that define global responses is a critical  
area for enquiry. In this important book, Jones looks at the  
difficulties in delivering treatment in a political

### **Health and human rights in today's fight against HIV/AIDS**

This article seeks to provide an update on the use of the health and human rights framework in the context of HIV/AIDS. It first provides a background on the development of the health and human rights framework, which coincided with the beginning of the rapid spread of HIV/AIDS. Next, it discusses the relevant policy developments of the past decade and highlights some recent setbacks. It then explores in greater depth the evolving discussion surrounding male circumcision as an HIV prevention.

### **HIV/AIDS and Human Rights in the Workplace**

**HIV/AIDS and Human Rights in the Workplace** The United Nations Universal Declaration of Human Rights- Preamble to the Declaration Protecting and Upholding Human Rights in the Workplace , 2 human rights issues and guarantees that our laws and the justice system operate in accordance with fundamental rights and freedoms.
