Contact Wounds is an account of these travels. Immediate, haunting and wryly funny, the book is simultaneously a vivid illustration of how to mess up a promising medical career, and an account of survival Kaplan's own as well as that of his patients. Kaplan describes his attempt to find his place in a world entering a time of instability and war, and the way in which his qualifications

From the author of the New York Times Notable Book, *The Dressing Station: A gripping memoir of a doctor's education on the battlefield* (Pittsburgh Post-Gazette). Inspired by his father's time as a military surgeon in World War II, *Contact Wounds: A War Surgeon's Education* is a gripping and intimate account of a doctor's education in the classroom, in life, and on the battlefield.

Given the subject matter therefore, it would have easily been possible for *Contact Wounds* to be thoroughly morbid and depressing. However, it is not, for Kaplan writes with a wit and subtlety that reveals the hope his job provides to those caught up in a conflict.
