[Early Childhood Education: History, Theory, and Practice ...](#)

Harry Morgan lays the foundations of what early childhood education is by integrating the history of the field with the philosophy and theories behind this discipline. From birth to age eight, when children become integrated into society through their education at school and at home, Early Childhood Education examines the education of this age group from its historical beginnings to the theories used then and today. The writings and research of philosophers such as Locke, psychologists such as Piaget, and sociologists such as Durkheim are discussed. Saskatchewan Celebrates Early Childhood Education Month ...

The Government of Saskatchewan has proclaimed May as Early Childhood Education Month and May 15 as Early Childhood Educator Appreciation Day. Giving Saskatchewan children a good start in life is incredibly important to their future, so let's all take some time this month to thank those who dedicate their careers to providing quality early learning experiences in our province. Deputy

Early Childhood Education: History, Theory, and Practice ...

In this volume, Harry Morgan covers the history, theory, and practices that influence early childhood education with an emphasis on infant and toddler care and education. He also presents a comparison of the conflict between educational planners who support early childhood studies and state school.
