Published under the sponsorship of the Center for Einstein Studies, Boston University Volume I: Einstein and the History of General Relativity

[Einstein Studies series - springer.com](#)

Einstein Studies is a multidisciplinary series, reflecting the wide variety of Einstein's own contributions to our century. The series emphasizes the history of twentieth-century science, but will also welcome works in the philosophy of science, as well as social, cultural, and political history. Original research in physics, mathematics, and philosophy will also be published in cases where
