Ethnic Interest Groups in US Foreign Policy-Making - A ...

Henriette Rytz argues, first, that ethnic interest groups can be analyzed in pretty much the same way as other lobby groups in US foreign policy, except that collective identities motivate the activities in this case. Second, however, even most powerful ethnic interest groups such as the Cuban Americans do not get their way all the time, but have to align their discourse with main trends in US. Ethnic interest groups in US foreign policy-making : a

This book comprises the first systematic study on the impact of ethnic interest groups on US foreign policy, using the case study of how the Cuban-American National Foundation (CANF) influenced the outcome of three different legislative debates that directly affected US Cuba policy.

Ethnic interest groups in the United States - Wikipedia

Ethnic interest groups in the United States are ethnic interest groups within the United States which seek to influence the foreign policy and, to a lesser extent, the domestic policy of the United States for the benefit of the foreign "ethnic kin" or homeland with whom the respective ethnic groups identify.

Ethnic interest group - Wikipedia

An ethnic interest group or ethnic lobby, according to Thomas Ambrosio, is an advocacy group (often a foreign policy interest group) established along cultural, ethnic, religious or racial lines by an ethnic group for the purposes of directly or indirectly influencing the foreign policy of their resident country in support of the homeland and/or ethnic kin abroad with which they identify.
