The anarchy-hierarchy distinction, which rests on a neat separation of international and domestic structures, is therefore highly contentious. One public good that great powers provide, largely ignored by the literature on hierarchy, is justice. Powerful states can provide a forum for aggrieved parties to settle their disputes, and thus contain conflicts before they escalate to war. If such a

Anarchy - Wikipedia

Anarchy is a society, entity, group of people, or a single person that rejects hierarchy. The word originally meant leaderlessness, but in 1840 Pierre-Joseph Proudhon adopted the term in his treatise *What Is Property?* to refer to a new political philosophy; anarchism, which advocates stateless societies based on voluntary associations.
