His Captive Lady (Devil Riders, #2) by Anne Gracie  
Anne Gracie's His Captive Lady was such a wonderful read! I adore all of Anne's books and she is one of my favorite historical romance authors. Her latest may not have an invisible woman running around causing problems, but there is a young woman who must find her missing baby stolen by her father. Helen Freymore reminded me so much of Tess Durbeyfield from the Thomas Hardy classic, Tess.
