New PDF release: Logic and the Nature of Reality ... Additional resources for Logic and the Nature of Reality. Example text. To mirror' connotes that reality is reflected in something called a language in the way that a tree, say, is reflected in a glass mirror. Language certainly does not contain an image of reality in any way analogous to the

glass mirror image of the tree. For one thing, any person with eyesight can see the tree in the glass.

The Nature of Logic : logic - reddit

How do we know the rules of logic? Coming from a science background, I've always thought that we learn them empirically (without directly thinking
