Medical Law and Ethics - [unsystemeeth.org](http://unsystemeeth.org)

For others, medical law and ethics can become a point of research, which leads to a career in academia and producing papers that influence the scope of the medical legal landscape. Regardless of the route chosen, this is a growing field that will not die out. As we will always be concerned with ethics as human beings, it stands to reason

that they will always have a place in the field of medicine.
