[Research in Art and Design Education - press.uchicago.edu](#)

Although educators are increasingly interested in art education research, there are few anthologies tackling the subject. Research in Art and Design Education answers this call, summarizing important issues in the field such as non-text based approaches and interdisciplinary work. [Research in Art and Design Education: Issues and Exemplars ...](#)

Under Richard Hickman's careful editorship, this book boldly makes the case that research in art and design education is not a subject-in-waiting and less so an affair restricted to arcane practices. Rather, it is a discipline invested in the exciting prospects of art's humanity and the design by which humans work together for a better world. [Research in Art and Design Education : Richard Hickman ...](#)
