SQL Server 2012 Data Integration Recipes - i-programmer.info

Data integration is quite a narrow topic in the overall area of databases, but it's one that you have to get right if your database project is going to be successful. This book gives detailed step by step instructions for taking data to and from a wide variety of data sources, and for how work with the data once you've got it into SQL Server.

SQL Server 2012 Data Integration Recipes - Springer To the memories of Georges and Colette Mallet. They taught me more about life than anyone either before or since, and they showed me how truly wonderful people can be.
