The Game That Matters - 0a.io

The game of socializing, the game of corporate-ladder climbing, the game of winning someone's heart these games become so trivial in the face of it, for each is contained within it. It is the superset of everything we had experienced, are experiencing, and will experience during the time of our existence. What came before and comes after it are out of its context. Certainly, they the game WONT Launch! Simply Disappears. :: Test Drive ...

I believe when you start the game for the first time there is a huge update, so you might want to make sure theres not the updating program running that you can't see. Otherwise you might just be stuck and theres nothing I can think of right now. I'll report back if I think of something.
