Understanding the Arts and Creative Sector in the United ...

The arts and creative sector is one of the nation's broadest, most important, and least understood social and economic assets, encompassing both nonprofit arts and cultural organizations, for-profit creative companies, such as advertising agencies, film producers, and commercial publishers, and community-based artistic activities. The thirteen essays in this timely book demonstrate why interest in the arts and creative sector has accelerated in recent years, and the myriad ways that the arts
